Installment Options:

The dance season's tuition is divided into 10 equal installments, unless you choose the "pay in full" option. The "pay in full option" is offered until September 30th of the current dance season and a discount is offered. There are no refunds on the payment in full option. **For the 10 payment tuition plan, tuition is due the first of each month. If payment is not received by the 15th of the month the credit card on file will automatically be charged for any outstanding balances. We will accept cash/check payments up until the 15th of the month.**

We are also offering two additional payment options, 2 payments and 5 payments. The 2 payment due dates are September 12th, and February 1st. The 5 payment due dates are September 12th, November 1st, January 1st, March 1st, and May 1st. **If payment is not received by the 15th of the due date month the credit card on file will automatically be charged for any outstanding balances.**

You may also opt to enroll in our automatic payment program. Automatic payments will be taken out the 1st of every month. If you are enrolled in our automatic payment program recital costume deposits will be charged to your account in October, November, and December. (\$25 per costume each month) You may withdraw from this program at any time.

The amount of any single installment is NOT based on the number of classes for that MONTH; it merely represents one-tenth of the season's tuition.

Classes run from September through June. Tuition is NOT based upon weeks per month but figured on an annual or yearly basis.

No refunds or credits will be given for any reason. Any classes missed may be made up anytime within the current session.

Please note: Tuition is based on the season regardless of how many weeks are in a given month.
